

High-quality dictation microphone with mouse functions.

Boost clinician productivity with Nuance PowerMic 4 ergonomic control of dictation functions and on-screen field navigation.

Nuance PowerMic 4* brings clinician dictation to a new level by making it quick and easy to control the microphone, navigate and select on-screen fields, and insert, review, and edit generated text.

Control at your fingertips

With new features such as a larger pointing device, additional buttons, and magnetic mount support, clinicians will enhance productivity with an improved ergonomic control of dictation and speech recognition functions.

With Nuance PowerMic 4, clinicians can rapidly navigate EMR, template, or report fields and insert text using dictation for new levels of usability and efficiency.

KEY FEATURES

- **USB plug-and-play installation** ensures compatibility with a wide range of computers.
- **Unidirectional noise-cancellation microphone** ensures performance accuracy in even the noisiest environments.
- **Easy-to-clean surface** promotes safety in clinical settings.
